PERIOD OF LEISURE WILL BE ENJOYED BY C. C. COOPER

Retiring Financier Plans to
Devote His Attention to
Personal Investments

C. C. Cooper today announced his retirement from the presidency of the First National and First Savings banks of this city, having sold his interests to other stockholders. With R. F. Kitterman, cashier, he took over the destinies of the First National two years ago. Prior to that he was connected with a chain of banks in Nebraska.

The growth of the local banking institution in the comparatively short time Mr. Cooper was connected with it has been nothing less than phenomenal. In 1919 it had less than \$1,000,000 in deposits. Now the figures are close to \$2,000,000.

Only recently the First Savings bank was organized to meet additional needs of the community and this institution has prospered, proving Mr. Cooper to be a successful organizer as well as banker. However, he shares the credit with the confidence extended him by the stockholders and the loyalty of other officials and employees. He says:

"I expect to make my home in Glendale for the future, looking after personal business interests both here and in the central west. I will spend my idle time principally playing golf at Flintridge and traveling, having relieved myself of business responsibility in order to enjoy at least a year of leisure."

Mr. Cooper was the first president of the reorganized Chamber of Commerce and remains as a director of that organization which now boasts more than 1000 members. He also is acting as organizing chairman of the Rotary club, a member of the local Elks lodge and otherwise interested in civic and fraternal work.

Local Tent Making Comforts for Use in Proposed Home

Members of Mary Jane Gillette Tent No. 18 are busily engaged in the making of comforts and other furnishings for the proposed Daughters of Veterans home at Sawtelle. The tent is in receipt of a very gratifying report relative to the construction of the Daughters of Veterans Memorial Home in Sawtelle, where two lots have already been paid for, with a surplus of several hundred dollars, which will go toward the building fund.

Tentative plans have already been made for the erection of six six-room cottages. This project is financed through the efforts of the Daughters of Veterans in this department, augmented by the contributions of numerous individuals. The property has been bought and paid for in less than three months and in all probability the first unit will be erected before spring. Mrs. Cora Jones of 301 North Cedar street represents Glendale on the home committee.

Extra! Secret Now Revealed! Bridge Out Since December 20!

Here's some real news!
Glendale is cut off from the outside world insofar as the Salt Lake line of the Union Pacific is concerned.

The bridge across the Arroyo Seco on the Glendale branch of that railroad has been washed out since December 20!

Not a train has moved since then—and hardly anybody here knew about it!

The rains before Christmas undermined the wooden structure, but the bridge builders got it ready for traffic December 23 only to have the county flood control engineers let a lot of water through Devil's Gate dam which washed their work away.

It will take a week to do the job again, according to the local agent of the road who is being hounded by people waiting for freight.

P. E. Relinquishes Any Right of Way on Sycamore Road

D. R. Pontius, vice president of the Pacific Electric Railway company, has notified city officials by letter that the company is no longer considering the proposed extension of its Broadway line south on Sycamore canyon road, and that the letter will act as a relinquishment of any claim on behalf of the company.

Guests Are Entertained at David Black Home

Mr. and Mrs. David Black of 1450 Kenneth Road entertained at their home Monday Mr. and Mrs. Lander Smith of Glendale and Miss Stella Tachodierle of Tulunga. Miss Tachodierle was a classmate of Miss Esther Black at high school and was her overnight guest on Monday.

BUILDING PROGRAM OF CITY SCHOOLS BEING OUTLINED

Number of Plans Discussed
by Board and Details of
Improvements Discussed

Architectural plans for the grammar school building program, covered in the recent bond election for \$260,000, were presented by Alfred F. Priest of Glendale, who has been selected as its architect. After considerable discussion, a combination of the three plans was recommended. This will provide for a one-story structure facing east on South Glendale avenue at Park avenue.

The central third of the building will be two stories in height, but the ends to the north and south one story. An auditorium to seat 600 will be built on the main floor just across the corridor from the main entrance—similar to the plan of the Broadway school.

There will be eight class rooms exclusive of cooking room, sloyd room, and sewing room. The plan is being arranged so that wings can be added at either end of the building later as they are needed.

No Classes in Basement
The board decided that it did not want to place any class rooms in the basement. The excavation of a regular basement, therefore, was not considered worth the cost.

Plans for the Pacific school presented by Mr. Priest provide for the addition of a three-room wing to the rear of the south side of the present building and to extend to the east parallel with the south side of the structure. This wing is to match the present architecture of the building. A similar wing may be added later to the rear of the north side of the building.

For Columbus School
The first unit for an entire new building is to be started on the Columbus school grounds. This will be a four-room structure to the north of the present building. This new edifice will serve as a wing for the rest of the building which is to be built later around the present building. Before the whole plan can be completed, it will be necessary for

Mr. and Mrs. Brumby Entertain at Dinner

Mr. and Mrs. Edward Brumby of 330 West Wilson avenue entertained dinner guests on New Year's Mr. and Mrs. W. H. Brumby and daughters, Helen and Ruth of Chino, Mr. and Mrs. Harold Fleming of Pomona, Mr. and Mrs. Jack O'Neil, Mr. and Mrs. J. B. Fawkes, Mr. and Mrs. Frank Johnson of Los Angeles and Mr. and Mrs. I. D. Brooks of Glendale.

Miss Marjorie Imler Enjoys Camping Trip

Miss Marjorie Imler, who is spending the holidays with her mother, Mrs. Adelaide H. Imler of 336 West Park avenue, returned to Glendale Monday evening after having enjoyed a three days' camping trip at Forest Home, where she was the guest of Mr. and Mrs. G. S. Witherspoon of Hollywood. Miss Catherine Phillips of Colgrove, a former resident of this city, was also a member of the party.

Normal C. Hayhurst Back From Arizona

Normal C. Hayhurst, athletic director and physical training instructor of the Glendale high school, returned to his duties at the local institution Tuesday after having spent the holidays in Tucson, Ariz., where he was the guest of friends and relatives. Mr. Hayhurst is a graduate of the University of Arizona, where he was a gridiron star for several seasons.

Mrs. D. W. Brant and Sister Are Hostesses

Mrs. D. W. Brant of 217 North Kenwood street and sister, Mrs. Frank N. Arnold of 217 East Lomita avenue, entertained as their guests over New Year's and the week-end their brother and sister-in-law, Mr. and Mrs. Clyde B. Rogers and children, of Huntington Beach.

Edith Englehart Is Back From Vacation

Miss Edith Englehart of West Park avenue returned to her home Tuesday morning from San Diego, where she spent the Christmas holidays with friends. Miss Englehart had originally planned to remain in the southern city until last week, but was forced to extend her vacation extra six days on account of the numerous washouts caused by the heavy rains.

SEWER PROJECT TO BE DISCUSSED AT C. OF C. TONIGHT

Protest Over Starting Work
in Business District to Be
Given Investigation

Brand boulevard business district's sewer system unit will be the subject for discussion at a meeting tonight in the Chamber of Commerce rooms, several property owners having called the meeting. While their plans have not been given The Glendale Evening News, it is said they protest the present procedure by the city in having let a contract for a sewerage system with only temporary disposal units.

Representative of the city council, the Chamber of Commerce and property owners interested are expected to be present and take part in the session. It is the contention of many property owners that any sort of sewerage is better than cesspools. Ardent advocates of annexation among the protesters are prone to say Los Angeles would provide an outlet, but those conversant with the problems already faced by the metropolis deny such a fact.

Embarrassing Position
It is stated that the contractors will begin work this week on the business district sewers and as Councilman C. E. Kimlin stated to the Chamber of Commerce directors yesterday afternoon, the action on the part of minority property-holders places the city in an embarrassing position.

Mr. Kimlin strongly urged that the Chamber of Commerce civic committee aid the city in working out the sewerage plans for the community and its contiguous territory. It is a big problem and just such meetings as that to be held tonight will bring about a final solution, it is believed by those deeply interested in the question.

F. S. Clinton and Wife Coming Here to Join Their Son

Henry Clinton of the Puss'n Boots Cafe, 211 1/2 South Brand boulevard, is soon to have associated with him in business his father, F. S. Clinton, of Prairie du Chien, Wis.

F. S. Clinton, who for eleven years was assistant cashier at the Crawford County bank in that city, tendered his resignation to take effect January 1, and he and his wife expect to make their home in Glendale.

In commenting on the resignation of Mr. Clinton the Crawford County Press states:

"Bank patrons and citizens in general will regret to know of this change. Mr. Clinton, by his faithful service and genial manner to patron and friend alike, has made a place for himself of such value that cannot be easily replaced."

"Mr. Clinton, who is associated with all societies and organizations that stand for betterment of people and conditions in the community, will make vacant a place that will be hard to fill."

Mr. and Mrs. B. Geiger Completely Surprised

When Mr. and Mrs. B. F. Geiger of 423 North Kenwood street, who observed their wedding anniversary Monday, were beginning their 6 o'clock dinner, they were completely surprised by the arrival of a number of unexpected guests, bearing a number of mysterious looking packages.

They were the "Jolly Twelve" who have surprised various members of the party at times, always in some clever and original manner. Mrs. Geiger was escorted into another room, and the women of the party proceeded to extend the dining table to accommodate the crowd, and spread a bounteous repast, for the packages proved to be their dinner. The Grigers were invited to be seated as guests of honor.

Covers were laid for Mr. and Mrs. Geiger, Mr. and Mrs. C. E. Russell, Mr. and Mrs. W. Spickerman, Mr. and Mrs. W. A. Maxwell, Mr. and Mrs. E. E. Haw, and Mr. and Mrs. Z. T. Boicourt. A pleasant evening followed with music and games.

Mr. and Mrs. Kresling Entertain for Guests

Mr. and Mrs. Samuel Kelly and son, Elmer of Hollywood, were the New Year's guests of Mr. and Mrs. H. Arthur Kresling of 702 East Elk avenue. The two families are friends of several years' standing, having been former neighbors in Los Angeles.

Evelyn and Dorothy Shaw Resume College

Misses Evelyn and Dorothy Shaw, daughters of Mr. and Mrs. Hartley Shaw of 212 West Park avenue, returned yesterday to Claremont, where they are attending the Pomona college. The young women enjoyed the two weeks' Christmas vacation in this city visiting with friends and former schoolmates.

Today's World News In Brief (By International News Service to Glendale Evening News)

FLETCHER IS NOMINATED AMBASSADOR TO BELGIUM
WASHINGTON, Jan. 4.—President Harding today sent to the senate the nomination of Under Secretary of State Henry P. Fletcher to be ambassador to Belgium.

CONDITION OF U. S. SENATOR W. E. CROW IS UNCHANGED
PITTSBURG, Pa., Jan. 4.—The condition of United States Senator William E. Crow of Uniontown, Pa., who is at the Mercy hospital, this city, was reported unchanged this forenoon. Reports in circulation that he is in a critical condition could not be confirmed.

FIVE PER CENT TARIFF TO BE GRANTED CHINA, BELIEF
WASHINGTON, Jan. 4.—The subcommittee of tariff experts, under the chairmanship of Senator Oscar Underwood of the American delegation, has virtually agreed upon granting China a five per cent tariff, it was stated today by an official British spokesman. The agreement also will make provision for raising this figure to 7 1/2 per cent some time in the future, and upon the fulfillment of certain conditions by the Chinese, it was stated. China had contended for a tariff of at least 12 1/2 per cent, and the figure of five per cent represents a material defeat of her aims in the conference.

APPOINTMENT OF SPOUL AS SENATOR AGREED UPON
HARRISBURG, Pa., Jan. 4.—The resignation of William C. Sproul as governor of Pennsylvania and his acceptance of the appointment of the United States senate to succeed the late Boies Penrose has been agreed upon by practically all of the leaders of the republican party, according to men who are here today from all sections of the state. State Senator Edwin Vane of Philadelphia is said to be the only prominent figure who has not tendered his support. Governor Sproul left today for Philadelphia where he expects to see Vane.

ARGUMENTS ARE NEAR IN TRIAL OF ARTHUR C. BURCH
LOS ANGELES, Jan. 4.—With the possibility that the taking of testimony may be completed by tonight and the final arguments to the jury started tomorrow, District Attorney Woolwine today brought up his big guns for a final salvo of shots at the insanity defense of Arthur C. Burch, on trial for the murder of J. Belton Kennedy. Dr. Louis Webber, star alienist for the prosecution, who reported to Woolwine that Burch was "faking" insanity by wearing a "mask of mirth," was expected to be one of the first witnesses called. Dr. Orbison and Dr. Parkin, the other two prosecution experts, were ready to follow Dr. Webber on the stand.

NEWBERRY WILL NOT APPEAR BEFORE SENATE INQUIRY
DETROIT, Mich., Jan. 4.—Senator Truman H. Newberry has no intention of appearing before the United States senate to answer Henry Ford's slush fund charges, and will not do so unless asked to by his friends, he said today. "I am willing to talk if asked," he said, "but I have not received any request, nor have I been informed of any discussion of the need of my appearing. I know nothing of this matter except what I have read in the newspapers and I doubt that their version of the situation in the senate is correct, for if it were, my friends would have informed me. I am quite prepared at all times to do whatever my friends in the senate advise."

DE VALERA TO PRESENT PEACE PROPOSALS THURSDAY
DUBLIN, Jan. 4.—Eamonn DeValera announced in Dail Eireann today that he would introduce his alternative peace proposals tomorrow and ask that they be accepted as the basis of peace between Ireland and England. (Note—Premier Lloyd George issued a special statement in London last Friday saying that the Irish peace pact must be ratified in its original form and that any alterations would annul it). Shortly after Dail convened for debate on the treaty, a sharp three cornered altercation developed among DeValera, Arthur Griffith and Deputy McCabe of Sligo. Griffith insisted upon knowing why DeValera was so secretive about his alternative peace proposals. After an exchange of words DeValera made his promise to introduce his counter peace draft Thursday.

MORE HEAVY STREET FIGHTING OCCURS IN BELFAST
BELFAST, Jan. 4.—Violent street fighting in which a civilian and a baby were shot to death has raged intermittently in this city and environs for nearly twenty-four hours. The soldiers used rifles, machine guns, bayonets and armored cars against the mob. The most drastic curfew regulations in the history of Ireland have been put in effect here. Beginning tonight the streets are to be cleared at 8 o'clock. One battle in York street and Royal avenue lasted one hour. After the mobs had been driven off, a dead man was found lying in York street. A street car was bombed in Newtonards road. When soldiers came up the mob began shooting and the soldiers returned the fire, wounding five men. A sniper, who was firing at street cars, killed a baby in its mother's arms. Heavy forces of police and soldiers are patrolling the principal streets.

STORM IS PREDICTED FOR CLOSE OF ARMS PARLEY
WASHINGTON, Jan. 4.—Out of the quietude which has prevailed in the actual negotiations of the armament conference for the last week, sharp differences of opinion have arisen which threaten today to make the closing days of the parley exceedingly stormy. All along the line, from submarines to Siberia, the conference path shows signs of becoming rocky. Hopes are entertained that the conference can conclude its work within two weeks, but a long drawn out discussion on any of the controversial questions yet to be disposed of will defeat these hopes. France has signaled her acceptance of the Root proposal to outlaw submarines only in principle. An "acceptance in principle" is not regarded by the British and American leaders as signifying much else except a willingness to discuss the matter. They remember that France also accepted the whole Hughes program "in principle" on the opening day of the conference and then almost wrecked the parley six weeks later by demanding great increases in her naval allotment. Before France accepts the radical restrictions which have been proposed for submarines first she wants the conference to settle the question of what constitutes a merchant ship. There were strong indications today that Japan and Italy, who have not signified any attitude toward the Root proposals, will also demand that the powers define merchant craft.

MORE UNIFORM LAW FOR DIVORCE AND MARRIAGE, PLEA

Judge J. W. Summerfield Is
Speaker at Forum Meeting
Tuesday Afternoon Club

An open Forum meeting of the Tuesday Afternoon club was held yesterday afternoon at Masonic Temple, at which talks were given by Judge J. W. Summerfield of Los Angeles on "More Uniform Laws in Divorce and Marriage," and by S. L. Roland, general manager of the Southern California Building & Loan association, on "The Object and Purpose of a Building & Loan Association."

In explaining his topic, Judge Summerfield stated that three main heads are included under it: First, marriage; second, divorce; third, the care of children. He stated "when we stop to think that each state, territory and insular possession of the United States has its own particular code governing these three main heads, we can easily understand the great confusion which results. Then he continued by saying:

"What in some states would be a legal remarriage after a certain length of time following the docketing of the final decree, in other states would be void, as the time of elapsation following the docketing of the final decree varies in the various states."

Ask Your Lawyer
"In New York state there is only one ground upon which a divorce can be secured, in California six and in Nevada seven, other states varying. Under the present conditions the only way a person can find out is by consulting an attorney. If the divorce laws were uniform no one would have an incentive to establish their residence in another state and no state would then receive more than its legitimate share."

"The legislature of the state of California at its last session raised the age of consent from 15 years to 16 years. The difference between the age of consent and the legal age is: The legal age is that age recognized by the law when any person be-

Cerritos P.-T. A. Plans Program for Thursday Afternoon

A very interesting program has been arranged for the meeting of the Cerritos Avenue Parent-Teacher association, of which Mrs. E. L. Adams is president, and which will take place Thursday afternoon.

There will be a musical program by the pupils of the fourth and fifth grade, which will include the following songs: "From the Starry Heavens High" (Foulte), "The Swing" (W. O. Messner), a reading "It Can Be Done" by Isabel Gates, "Star Daisies" (Busch), "America the Beautiful," solo by Adela Larson, group song "Starry Night" "Lullaby" (Messner).

This will be followed by a talk on "The Story of Life," by Dr. Maude Wilde, president of the Mothers' Association Center of Los Angeles, who will be the speaker for the afternoon.

Dinner Party Is Held to Celebrate Birthday

Mr. and Mrs. Charles H. Ravenscroft of 232 South Brand boulevard were guests at a dinner party given Monday night at the home of Mr. and Mrs. A. W. Tower, 214 East Park avenue, in celebration of the birthday anniversary of Mrs. Ravenscroft. Other guests present included Mrs. Tower's parents, Dr. and Mrs. W. B. Collins, who were former friends of Mr. and Mrs. Ravenscroft when both families resided in Indiana.

C. C. COOPER SELLS HIS INTEREST IN FIRST NATIONAL

W. W. Lee Chosen President
of Bank and Also Is Head
of Savings Institution

C. C. Cooper has sold his interest in the First National bank to W. W. Lee, M. P. Harrison, Ed M. Lee, George T. Paine, E. U. Emery and R. F. Kitterman.

That announcement was officially made this morning by R. F. Kitterman, cashier of the bank.

Mr. Cooper, although retiring from the First National and the First Savings bank, the latter being owned by the stockholders of the former, will remain in Glendale, his statement being given elsewhere in this issue of The Evening News.

The purchasers of Mr. Cooper's stock in the First National bank need no introduction to the people of Glendale as Messrs. Lee, Harrison, Lee, Emery and Paine have been associated with the bank for the past ten years, and Mr. Kitterman has been the cashier during the past two and one-half years.

At a meeting of the board of directors, W. W. Lee was appointed president to fill the vacancy, and E. U. Emery was appointed director.

Institution Is Prosperous
In making the announcement of the change, the following statement was made:

"Throughout the year 1921 the bank has enjoyed a most prosperous growth. The total resources of the bank as shown by the statement at the close of business December 31 is, \$2,055,104.45. The capital of the bank was increased from \$25,000 to \$50,000, this amount was actually paid in by the stockholders. The surplus account has increased from \$35,000 to \$50,000. The bank paid a dividend of 20 per cent upon its capital stock, and earned an additional 20 per cent.

"During the year 1921 the stockholders of the First National bank organized The First Savings bank with a paid in capital stock of \$50,000, and this bank now has total deposits of more than \$125,000."

In the reorganization just completed, W. W. Lee was appointed by the board of directors as president of the First Savings bank also.

Miss Leone Shattuck Is Guest of Honor at 'Kitchen Shower'

Miss Leone Shattuck of 114 West Broadway, who is soon to become the bride of Emil O. Klefer, was the guest of honor at a kitchen shower given last night at the home of Miss Helen Ingledue, 501 East Wilson avenue, by the girls of the Philathea class of the First Methodist Episcopal church, with about twenty-five of the members present.

After a short business meeting luncheon was served. The first prize, a rubber kitchen apron, was won by Miss Lois Murphy, and the consolation prize, a paring knife, was won by Miss Dora Wainwright, both of whom presented the prizes to the guest of honor. Miss Shattuck was then called to the door and when she re-entered the living room there was a large clothes basket filled with gifts for her, including aluminum and pyrex ware and many other articles useful in the kitchen.

The hostess was assisted in serving refreshments by her mother, Mrs. C. W. Ingledue, and sister, Mrs. Ellis Thomas. Miss Shattuck acted as bridesmaid for Mrs. Ellis Thomas, who was formerly Miss Doris Ingledue, and whose wedding took place in October, and they have been girlhood friends.

Mr. and Mrs. B. Glenn Are Here From North

Mr. and Mrs. B. Glenn of Ashland, Ore., arrived in Glendale from their home last week and spent several days with local friends. Mr. and Mrs. Glenn are planning on spending the winter months in southern California, their time to be divided between Glendale, Pasadena and Los Angeles.

Dr. Floyd H. Hanes and Family Visitors

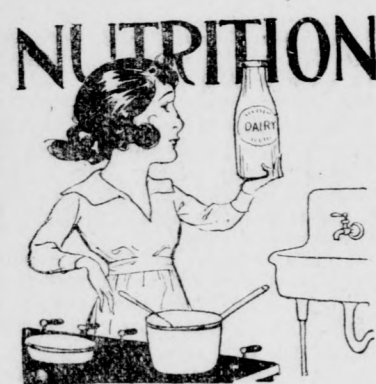

Dr. and Mrs. Floyd H. Hanes and infant son, Thomas, of South Pasadena, spent the past week-end in Glendale as the guests of Mr. and Mrs. W. J. Minderhout of 416 North Adams street. Mrs. Hanes and Mrs. Minderhout, who are cousins, are former residents of Holland, Mich.

Congressman Free Is Guest in Henry Home

Congressman Arthur Free, accompanied by his son Herbert, was the guest New Year's day at the F. J. W. Henry home, 224 Arden avenue. The former is the widely known representative from Santa Clara county, California, which is known for its fruit—and kiddies, in the capital.

Bacon of the action of the council regarding the above named suit. Adjourned.

Pacific Electric Wants to Give Up One System

According to a dispatch to The Evening News over its International News Service leased wire, the Pacific Electric Railway company has asked authority of the Railroad Commission to abandon its railroad lines in Beverly Hills and to remove the tracks. The company states that unless the order is granted it will be necessary for it to spend \$30,000 in rebuilding and paving. This amount, it is said, is greater than the original cost of the line and alleges that the traffic does not warrant the continuance of the operation of the road. The line which it desires to abandon is specifically described as the Coldwater Canyon line extending from a junction with the Los Angeles-Sawtelle main line at a point near Santa Monica boulevard between Beverly Drive and Rodeo Drive, thence

Why Does Purchaser Pick on Auto That He Finally Buys?

"Ask the average man why he bought his car and the diversity of answers will surprise you. After making this test from various angles I have charted the results and, to me, it is most interesting," says W. W. Reilly of the Glendale Hudson Motor Co., dealers for Hudson and Essex motorcars.

"One man buys because of the color, another for beauty, for comfort, on the result of the initial test, because of friendship for the sales-

man, for power, for speed or for the general lines of the car.

"And then along comes a man who says he buys a certain car on account of confidence in the organization offering the car for sale.

"When all these answers are properly tabulated, I find two outstanding things, namely,—that few consider the first cost of the car any further than knowing approximately what he can afford to pay, and that practically all give answers which resolve themselves into the confidence he may have in the maker and distributor of the car,—more particularly the dealer whom he sees direct and to whom he looks for the protection to which he is entitled.

"In my position as a dealer for the Hudson and Essex organization, I have made it one of my prime duties to see to it that every move of policy is toward the building of confidence in our organization. I say unhesi-

tatingly that I would greatly prefer the loss of a sale of either a new or a used car than to have that sale made and allowing the customer to leave our salesroom with a feeling that he is not quite certain whether or not we are entitled to his fullest confidence."

SPLIT OVER GAS WARFARE

WASHINGTON, D. C., Jan. 4.—A split between the American experts and those of other nations over the question of gas in warfare—with America standing out alone against its total abolition—was disclosed in official Italian quarters. The American experts have taken the attitude, according to an Italian spokesman, that while the abolition of gas is highly desirable, it is impossible of accomplishment because no nation with chemical factories can be relied upon to refrain from using it in war time.

COMMUNITY HOTEL PROJECT PLACED IN COMMITTEE

Financing of Institution Is Under Consideration; Told C. of C. Directors

A tourist resort—"The Glendale Hotel"—to be known throughout the country as a representative institution of this community—

That is the plan of the Ambrosini Hotel Corporation as explained before the Chamber of Commerce directors at a luncheon yesterday afternoon.

W. S. Holmquist and J. L. S. Perch, fiscal agents, were the speakers who addressed the representative group of business men and the matter was referred to the hotel committee for report.

Anthony Ambrosini, owner of the site at Glendale avenue and Broadway, feel that the hotel, should be a part and parcel of the community spirit so noticeable in all of the successful activities of the town.

Eastern offers to finance the project have been rejected, according to Messrs. Holmquist and Perch and to show Mr. Ambrosini's belief in his neighbors and courage in the conviction that Glendale needs a thoroughly modern hotel, he is willing to forego the honor of having his name attached to the plant and he will step out as president of the corporation to be a director and one of the heaviest stockholders.

Actual construction work already has been started, the plans for the six story structure are complete and there seems to be no reason for Glendale overlooking this opportunity to provide for the needs of its eastern friends who prefer to live in comfort and luxury, such as a modern hotel only can provide.

January 3, 1922. Interment at Forest Lawn Memorial park.

LAURA J. MILLER
Laura J. Miller passed away at her home, 308 North Central avenue, January 3, 1922. She had been a resident of Glendale for two months, coming here from Hollywood. Funeral arrangements are awaiting the arrival of relatives from the east. Jewel City Undertaking company in charge.

Births

Edna Griggs arrived yesterday morning, Tuesday, January 3, 1922, at the Glendale Sanitarium Hospital, as the daughter of Mr. and Mrs. E. S. Griggs of 920 East Palmer street.

Charlott Anne Harriet DeLong arrived Monday, January 2, 1922, at the Glendale Sanitarium and Hospital. Her parents, who live at 420 West Burckett street, are Mr. and Mrs. Charles DeLong.

Mr. and Mrs. O. N. Theilen of 112 East Lomita street are the parents of a son born Sunday, January 1, 1922, at the Glendale Sanitarium and Hospital.

A boy was born this morning, Wednesday, January 4, 1922, at the Glendale Research Hospital, to Mrs. W. P. Pierson of Burbank.

HARDWARE CONCERN PLANS TO OPEN 2 STORES HERE

Wilson-Bell Company to Be Ready for Business by February 1, Announced

Announcement is made today that the Wilson-Bell Hardware company will open two stores in Glendale as soon as buildings are completed, one to be at 225-227 North Brand boulevard and the other at 1738 South San Fernando Road, near Brand. "Everything in hardware" will be installed and it is expected they will be ready for business by February 1.

J. M. Wilson, the senior member of the firm, is a resident of Glendale, having come here last April and purchased a home at 622 North Jackson street. He was formerly engaged in the manufacturing of lumber and general contracting in Raymond, Wash., but has transferred his business interests to southern California.

S. F. Bell is a member of the well-established firm of Bell Brothers' Hardware company of Raymond, Wash., which enjoys a large business. He is moving here to take active part in the operation of the Glendale stores.

The store on North Brand boulevard will be in the heart of the shopping district while the other store will cater to the needs of the fast-growing section in the vicinity of San Fernando Road. It is Messrs. Wilson and Bell's plans to be ready to meet the wants of the purchasing public in the hardware line.

The members of Chapter C. J. P. E. O., will entertain their husbands at a party to be given Saturday night at the home of Mrs. Vernon Putnam, 208 West Elk avenue.

HUDSON AND ESSEX PRICES REDUCED TO NEW LEVEL

Manufacturing Costs Lowered
and Benefit Is Passed
on to Auto Users

Acting on information obtained through a nation-wide survey of conditions which has disclosed the certainty that the automobile business is rapidly approaching its pre-war stride, Roy D. Chapin, president of the Hudson Motor Car Company, announces that sweeping reductions are being made on every model produced by both companies, effective at once.

"With business down to the pre-war level of labor and material costs," Mr. Chapin said, "manufacturers are able to get back to the fundamental principles of American merchandising—basing prices to the public on volume production. Added to the steady demand that Hudson and Essex have maintained throughout the readjustment period, we have such volume of orders already booked for 1922 by our distributors and dealers in every part of the country that we are able to pass on to buyers a new mark in lowered manufacturing costs."

New 1922 Price Schedule

"Consequently, we are releasing a new 1922 price schedule whereby the cars we build will cost the user from \$100 to \$245 less than previously."

"Today we are purchasing the finest materials that America makes at a lower figure than ever before in the history of the automobile industry—a concession to which the buyer is entitled and which is made available in our new price schedule."

The reduction announced by Mr. Chapin are as follows: Hudson phaeton \$200; seven passenger phaeton \$150; cabriolet \$200; coupe 200; sedan \$245 and touring limousine \$200.

Essex—touring car \$100; coach \$150 and sedan \$100.

MORE UNIFORM LAW FOR DIVORCE AND MARRIAGE, PLEA

Judge J. W. Summerfield Is
Speaker at Forum Meeting
Tuesday Afternoon Club

(Continued from Page 1)

comes free and independent and become responsible for their own acts. The age of consent is that age where they are not capable of giving their consent and have not reached their majority. No marriage of persons under 16 years of age is legal even though the consent of the parents or guardians is obtained."

To Stop Hasty Ones

In suggesting remedies for a great many of the hasty marriages, which he stated eventually led to the divorce courts, Judge Summerfield expressed himself as favoring the custom of publication of the banns for fifteen days prior to the marriage. He also stated:

"In addition to these requirements of publication of the banns I believe that every man and woman who present themselves for a marriage license should first have a bill of health showing their mental and physical fitness."

When questioned regarding the procedure to be taken in order to obtain uniform marriage and divorce laws Judge Summerfield stated that this might be started either by the state and national federation of clubs, or by their state and national officials or through a national conference.

To Encourage Thrift

The next speaker of the afternoon was S. L. Roland, general manager of the Southern California Building & Loan association, and a Glendale resident. The name of Building & Loan association, he stated, was misleading, as it implied a speculative proposition, whereas its purposes were the contrary to that. One of the big aims of such an association is to encourage thrift savings and home building. Mr. Roland states "by means of a building and loan association the person having a lot and a small amount of money is enabled to build his own home and pay a small amount off each month like rent. For the person investing in shares in the association it nets them about 6 per cent cash dividend. The prime object of the association is to encourage individual home owners and it does not loan money on flats, apartments houses, bungalow courts, clubhouses, etc."

Committee Meetings

The following announcements of section meetings were made: Literary section meets Monday, January 9, at the home of the curator, Mrs. F. L. Hollingsworth; drama section meets Friday afternoon at the home of Mrs. B. L. Cline, 134 South Orange street; Shakespeare section meets Monday, January 9, at the home of Mrs. Walter Jones. Rehearsal from 12 o'clock until 2 o'clock and study from 2 o'clock on.

In opening the club meeting the president, Mrs. C. E. Hutchinson, extended greetings for a happy New Year and thanked the music, Shakespeare and drama sections for the stage curtain which was presented to the club by them.

Says Hammond Lumber Co. Sold; \$15,000,000

According to a dispatch from Portland, Ore., property of the Hammond Lumber company has been sold to the Long-Bell Lumber company of Kansas City for \$15,000,000, the report being printed by a Portland newspaper. The sale is said to include the Hammond mills at Astoria and Detroit, Oregon, the famous redwood mill at Eureka, Cal., extensive timber holdings in California and Oregon, and the Hammond fleet of lumber ships.

But a dispatch from San Francisco

denies the Portland story. The San Francisco dispatch says that at the offices of the Hammond Lumber company denial was made that the Long-Bell Lumber company had purchased the interests of A. B. Hammond. It was stated that the Hammond company long has had business relations with the Long-Bell interests and that preparatory to entering into the lumber business in San Francisco representatives of the Long-Bell company are acquainting themselves with the Hammond company methods with a view to their adoption.

Christian Circle at Dinner, Business Meet

The Christian Circle club met last night at the Baptist church, having an attendance of fifty-seven girls. An excellent dinner was served by the women of the Pacific Avenue Methodist church and a short business session was presided over by Miss Nell Leggett, the president of the organization. A few words were said by Miss Mildred Elliott, the first president, and the regular Bible lesson was conducted by Miss Maud Soper.

(Continued from Page 1)

the present building to be removed or demolished, but Mr. Priest explained that this would not be necessary until the entire plan had been two-thirds finished.

The plan for the Doran school, offered by Mr. Priest, is somewhat similar. It provides for the erection of a one-story three-room structure on Doran street to form the ultimate wing of a new building. Before this can be completed the present Doran school must be moved or demolished.

Colorado School Plans

The Colorado school plans, submitted by Mr. Priest, provide for the construction of a one-story two-room structure on the north side of Elk avenue at Louise street, which will form the south wing for a new building. On account of the location of the present building it will not be necessary to move it and a bungalow, which would interfere with the completion of the plan, can be moved to another location.

George M. Lindsay of Glendale reported that the school board's desire

to face the new Grand View school east would be impossible on account of the slope of the ground from north to south. Richardson D. White, superintendent of schools, was instructed to get in touch with E. H. Larned, who was selected by the Grand View Improvement association to represent them in the school program, and to ascertain the views of this organization in regard to the facing of the school. A conference will be arranged for tomorrow or next day between Mr. Lindsey and representatives of this organization.

Meanwhile, Mr. Lindsey is working on new plans for the school and will submit them, together with plans for the addition to the Acacia school at a special meeting of the board next Tuesday night.

Mr. Priest will present his revised plans some time within the next two weeks—or soon after the school board decides upon the relative merits of brick or hollow tile surfaced with plaster.

Series of Lectures Are Announced by Business Analyst

A series of lectures beginning tomorrow night will be given at the Glendale Chamber of Commerce Auditorium by Noble Hume Wible, business psychologist and character analyst. These lectures are free to the public and promise to be very interesting and instructive. "There are four things," says Mr. Wible, "that are essential in the life of every successful person. To be in the right job; to understand the people with whom you come in contact socially, commercially and otherwise; to be able to sell yourself and the idea that underlies your aim in life, and last, but not least, to have a strong healthy mind in a strong healthy body. These are the four cornerstones of success, and to be informed and to fully appreciate these four fundamentals is to really be 'on all fours'."

Mr. Wible states he shows in his course of free lectures how to gain these four essentials and how to achieve the higher attainments in life.

You can never be natural if you lead an imitation life.

START RIGHT

A glorious new year is dawning. What it may hold in store no one can tell.

But the man with money in the bank can look at the future with confidence for he knows that whatever opportunities may come will not find him unprepared.

Do you envy this man? Start the new year right by opening a Savings Account at this Bank and soon you, too, will be ready to make the most of the opportunities that may come your way.

It isn't so much whether you open the account with \$1.00 or with \$50.00. The important thing is to make the start.

C. OF C. TO ASSIST CITY'S FIGHT FOR REDUCED FARES

Directors Instruct Committee to Aid; Protest Award by Judges at Tournament

Action is to be expected in the matter of Glendale's fight against the increase in passenger fares granted the Pacific Electric railroad.

Following closely on the heels of City Attorney Bert P. Woodard's petition which aided in bringing about a rehearing, set for January 24, the directors of the Chamber of Commerce yesterday instructed the railroad committee to get busy and co-operate in every way possible with the city council.

Hollywood, South Pasadena and other communities hit by the commission's ruling in favor of mileage fares are joining in a concerted drive to have the fares established on each line separately.

Protest Float Award
Another matter which will be attended to by a special committee of the Chamber of Commerce is the Pasadena Tournament of Roses float award. V. M. Hollister, president; Jesse E. Smith, vice-president, and J. M. Rhoades, secretary of the local organization, will draft a letter setting forth Glendale's claim to a more fair decision on the part of judges. While second prize is not to be rejected, it will be considered as a "first" until the tournament officials explain how Portland was permitted to have painted signs "Portland, 1925," advertising their exposition, on the float which won first. Directors Owen C. Emery, C. D.

THOUSANDS ARE ARRESTED
WASHINGTON, D. C., Jan. 4.—British authorities in India have arrested and imprisoned 5,000 nationalist leaders within the past week, according to a statement issued here by Taraknath Das, directing head of the Indian independence movement in this country.

The gun carrier of Theodore Roosevelt when he hunted in Africa, a giant Zulu, was recently fined \$25 for totting a gun in New York City.

Volunteers Plan Tag Day to Aid Destitute People

A tag day for funds to aid children in the care of the Volunteers of America will be held in Glendale Saturday, January 7, it is announced by a local committee, consisting of Mrs. A. G. Brown, Mrs. A. L. Bryant, Mrs. C. M. Crist, Mrs. E. E. Ford, Mrs. E. M. Lee and Mrs. Spencer Robinson, who will serve as patronesses for the affair.

The Volunteers of America was founded by General Ballington and Maud Booth many years ago. It is incorporated in California and state-wide in its service to the particular class of little ones whom it helps. The Volunteers of America is the first institution in the world to make a systematic effort to save the man behind prison walls or to aid the family left on the outside, in many instances destitute when he is taken away.

The work of the Volunteers abroad during the war is well known. Over 365 members of the organization's staff, including Mrs. Booth, did active service on the field, it is stated.

Mrs. Booth leaving after ten months because of broken health. The organization is supported by voluntary contributions and it is expected that this will be helped materially by the sale of tags on Saturday. Through the kindness of George E. Clayton, headquarters will be at the local Dodge agency, Harvard and Brand boulevard.

Officials of C. E. Plan for Contest

Officials of the Glendale district C. E. met last night at the Tropic Presbyterian church for a business session. The principal topic of discussion was the "Four Square Contest," which is now in progress, and the "Conventionette" and banquet at the First Presbyterian church February 17 to be followed by a rally the following Sunday.

A constitution was adopted which will make the proceedings of this district uniform with other districts. Miss Carol Duncan, 1607 South San Fernando road, presided. Miss Terza Snell, 116 East Eulalia street, led the devotionals. The minutes were read by Miss Fern Peters, secretary of the organization.

Head Stuffed By Catarrh or Cold? Use Healing Cream

If your nostrils are clogged, your throat distressed, or your head is stuffed by nasty catarrh or a cold, apply a little pure, antiseptic, germ destroying cream into your nostrils. It penetrates through every air passage, soothing inflamed, swollen membranes and you get instant relief.

How good it feels. Your nostrils are open. Your head is clear. No more hawking, snuffling, dryness or struggling for breath. Get a small bottle of Ely's Cream Balm from any druggist. Colds and catarrh yield like magic. Don't stay stuffed up. Relief is sure.—Advertisement.

Take advantage of the 5 per cent discount
which we are giving during our opening sales.This sixth unit is the last unit we will have
for sale at prices anywhere near those we are
now offering.

Nearly one year ago we obtained an option on sixty acres
of land where our FAIRVIEW subdivision is now located. As
soon as we had sold the first unit acreage prices began to ad-
vance very rapidly until now it is impossible to buy any land in
this beautiful section at prices that would enable anybody to
make the lots as low as they are at FAIRVIEW.

Not only is this the last opportunity to buy from us or
anyone else in this section, lots as low as \$500.00, but it is
also true that the lots in FAIRVIEW will advance proportion-
ately in value when this last unit has been sold, and there are
no more to be had.

Other subdivisions in this section are now selling at very
much higher prices.

We predict that the Sixth Unit of FAIRVIEW will be sold
out in a very short time. If you want to buy a lot in a beauti-
ful location, close to transportation where a great development
is taking place, come out today. Bring \$50.00 and get a lot.

Reasonable restrictions; water, gas, electricity and street
work. Temporary homes permitted.

Drive out West Broadway and San Fernando Road to Vine
Avenue (opposite F. L. Menzies Window Shade Factory),
then one block to right to tract office at Vine Avenue and
Fourth Street, or phone and we will call and take you out to
the tract. The Tract Agent is on the ground every day.

THAT'S ALL

But One Day In Office
Hypothetical Conclusion
Great Bodies Move Slowly
Pasadena Take Notice

By Gil A. Cowan

ONE day in office and Mayor L.
V. W. Brown of Riverside was
killed in an automobile acci-
dent. What a pity, the public will
say. And friends rightfully will
mourn the passing of the man, but—

One day after his appointment and
Police Chief James W. Everington,
Jr., already is target for the natural-
ly dissatisfied Los Angeles.

Read the nice piece of crepe al-
ready hung on the official door by
Dr. Gustav A. Briegleb, whose op-
timistic (?) prediction follows:

"It will only be a little while—
and now mark my words—until he'll
be failing to please some people and
he'll find himself all mixed up in a
lot of trouble. It can't be helped—
it's inevitable."

From Berkeley comes the follow-
ing scientific explanation of why the
alarm clock goes off so early in the
morning:

Clocks run faster at night than in
day time!

W. W. Campbell, director of Lick
observatory of the University of Cali-
fornia, in his annual report to the
president of the university announced
that R. H. Tucker, an observatory
astronomer, has made this startling
discovery regarding timepieces:

"The ultimate cause of the phe-
nomenon is obscure," the report
states, but an exhaustive program of
observation so far has borne out the
hypothesis that clocks run
faster at night than in day time.

The discovery is of vast importance
to astronomers who depend upon
clock corrections.

Second street in Los Angeles prom-
ises to become the great artery for
Glendale's travel into Los Angeles,
according to G. Gordon Whitnall of
the Los Angeles planning commis-
sion. But the engineers of the met-
ropolis say it will take three years
to complete the Second street tun-
nel. Great bodies surely move
slowly!

And Los Angeles undoubtedly
holds the record as the slowest mov-
ing growing town in the world. It
needs 500 more policemen. In
fact, there are sections of the city
that enjoy practically neither fire nor
police protection. Two officers are
said to cover 27 square miles in the
vicinity of Van Nuys.

Los Angeles is advising all resi-
dents this side of the Hollywood hills
to install cesspools as a part of the
sanitary equipment of each home. It
is reported that sewer lines to serve
the sections of the city close to Glen-
dale will not be built during the next
general.

Los Angeles today has a water
problem to face for the population is
increasing more rapidly than funds
are available to distribute the aque-
duct's flow. And long before that
Herculean job is paid for there will
be necessity for more adequate facili-
ties.

From a standpoint of streets, there
are some checkpoints here to be filled,
but if you want a real rocky ride, try
Alvarado street, one of the best in
Los Angeles. It connects with Glen-
dale boulevard just north of Sunset
in Edendale.

Los Angeles is a wonderful city,
but Glendale is the wonder city be-
cause it is so much better for the
home-loving residents.

Now that just about all is said and
done about the Glendale feat which
appeared in the Tournament of
Roses, let it be said in all fairness
that the parent New Year's Day was
not up to its usual standard.

In the good old days everybody in
southern California was interested in
the success of the affair. Now it
seems to have been the personal pro-
motion proposition of several Pas-
adenans. May next year see some-
thing different.

**Norma Talmadge Is
Good Entertainment
on T. D. & L. Screen**

Norma Talmadge has done many
fine things in the line of screen en-
tertainment, but we doubt if any-
thing ever done before will be quite
as generally liked as "The Wonder-
ful Thing," her latest production,
which opened an engagement of
three days at the T. D. L. theatre
yesterday. Miss Talmadge has a role
which gives her opportunity for
exhibiting a decided talent for comedy,
an accomplishment which is gen-
erally supposed to have gone entirely
to her sister Constance, at least as
far as the Talmadge family is con-
cerned.

The abilities of Norma as a come-
dienne were the first surprise of the
evening. The second surprise came
in finding that Mrs. Lydia Hoyt was
in the cast. It must be admitted that
the announcement that this New
York society matron had gone in for
pictures and would have a part in a
Norma Talmadge production had
been noised abroad, but it was
expected that she would appear
in but a very minor part. The second
surprise, therefore, was the discovery
that the young woman who so very
capably played the rather difficult
role of Catherine Mannerly Trues-
dale was in reality the young woman
who has forsaken the gay whirl of
the upper strata of society to appear
before the camera.

"The Wonderful Thing" is really
good entertainment. It is a wonderful
thing about it is the wonderful way
in which excellent comedy has been
mixed in with drama and pathos.

Other film attractions round out
the pleasing bill.

3 PER CENT MONEY
IS OUTLINED AT
MASS MEETING

Details of Finance Plan Are
Told; Co-Operation Here Is
Urged by Company Heads

How to obtain money at 3 per cent
interest for investment purposes was
outlined last night in the Citizens'
Building, 150 South Brand boulev-
ard, by F. L. Rounsavell, actuary,
and John Lyons of Los Angeles,
founder of the California Finance &
Housing Company, which is estab-
lishing a branch at 144 South Brand
boulevard in charge of Walter T.
Haines. In brief the plan is this:

This organization will act as a
clearing house. To join it a mem-
bership fee of \$10 is necessary. Loans
are issued in multiples of \$1000.
One per cent a month on the amount
of the loan desired is paid into the
treasury. For a \$1000 loan this
means \$10 a month. If only one
person joined, \$1000 would not be
available for 100 months. If ten
people joined, however, \$1000 is avail-
able in one-tenth of that time or ten
months. If twenty people join,
\$1000 is available in five months.
And so on.

Goes to First One
As soon as \$1000 accumulates,
it goes as a loan to the first person
on the list. When the second \$1000
is ready it goes to the second person
and so on so that every member of the
organization gets a loan from its
treasury sooner or later.

Fifteen per cent of the amount of
the loan must be left in the treasury.
Consequently, if \$1000 is available
for a member before he has made
fifteen monthly payments of \$10, he
is required to make up the difference
between what he has paid already
and \$150.

This sum contributed into the
treasury sooner or later by all mem-
bers provides capital and incidentally
provides a margin for possible
shrinkage in mortgage values.

At the same time a member re-
ceives his loan of \$1000, he deposits
in the treasury simultaneously a reg-
ularly approved bank first mortgage
covering property worth the amount
of his loan. This mortgage is in se-
curity for the repayment of the loan.

Contracts Assignable
As each member has paid already
\$150, he only owes \$850 toward the
repayment of the entire \$1000. This
\$850 bears interest at 3 per cent and
he begins to pay it off monthly at the
rate of one per cent, or \$10 a month.
These payments, also, supply the
treasury with money for additional
loans.

Both contracts for loans and mort-
gages are assignable and should a
member desire, he has the privilege
of disposing of either.

It was explained that a high pre-
mium is often offered for loan con-
tracts of standing because of the fact
that the loans are made entirely by
rotation. It was explained, also, that
arrangements could be made to sell
the mortgage at the regular rate of
interest netting the member the differ-
ence between 3 and 8 per cent.

"This is a new institution and we
are the pioneer company of the Pa-
cific coast," declared Mr. Lyons.

"We have been formed with some of
the largest men in California whose
names will be announced on our litera-
ture."

Plan Is Not New
"This is not a new scheme. It has
been in successful operation for the
past fifteen years in the east and
has done \$100,000,000 worth of
business. The plan of operations is
well regarded in Texas. It has been
investigated thoroughly by such men
as Herbert Hoover, the attorney gen-
eral and the postmaster general of
the United States. The fact, that
thousands of dollars are sent to
these companies through the mails
demonstrates the attitude of the gov-
ernment towards them."

"The company and its officers are
bonded the same as a bank. It is
under a blanket bond by one of the
largest surety companies in the
United States. Officials of the com-
pany do not invest any money them-
selves."

"If we can get co-operation here,
there won't be a vacant lot in the
town."

**Minstrel Show Is
Feature Attraction
at Glendale Today**

Burns Brothers' minstrels—fifteen
real blackface artists—are the stellar
attraction today and tomorrow at
the Glendale theatre. They carry
their own band and orchestra, and
from advance reports they sure can
sing and dance and play and make
their audiences howl with laughter.
Their Dixie Minstrel Revue fills one
solid hour of enjoyment.

"The Little Minister," one of the
most famous stories ever written, has
been made into a special production
by Vitagraph with Alice Calhoun in
the stellar role. It will be the film
feature Wednesday and Thursday,
the other half of a bargain bill.

Vitagraph has owned the rights to
James M. Barrie's far famed story
for years, and believes that there is
no time more propitious for making
a film super-feature out of it. Alice
Calhoun is regarded as a perfect type
for the role created of Lady Babbie,
which has become an established
character of fiction. She has for
years yearned for just such a role
as that in Barrie's incomparable
creation.

The Vitagraph version has its in-
itial showing here. At regular prices
the Glendale should play to capacity
audiences both matinee and night.

Delicious, appetizing lunches are
served daily at Glendale Candy Shop.
